

Prokaryotická buňka

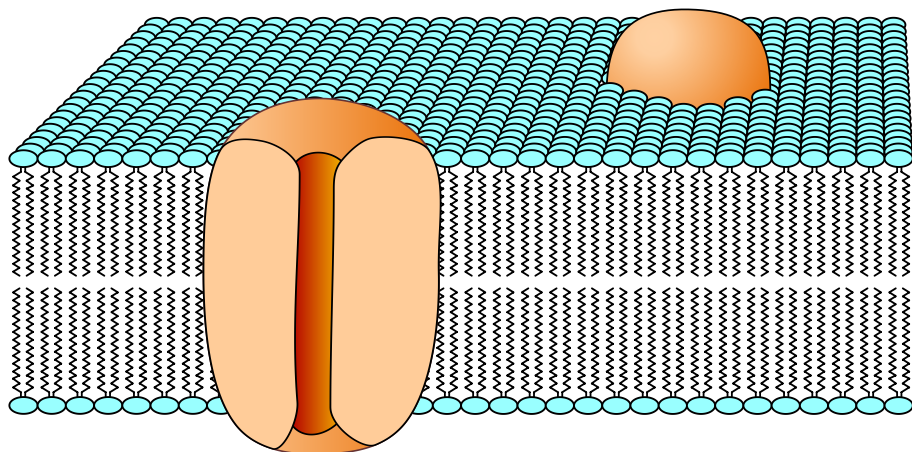

**Eukaryotická buňka
živočišná**

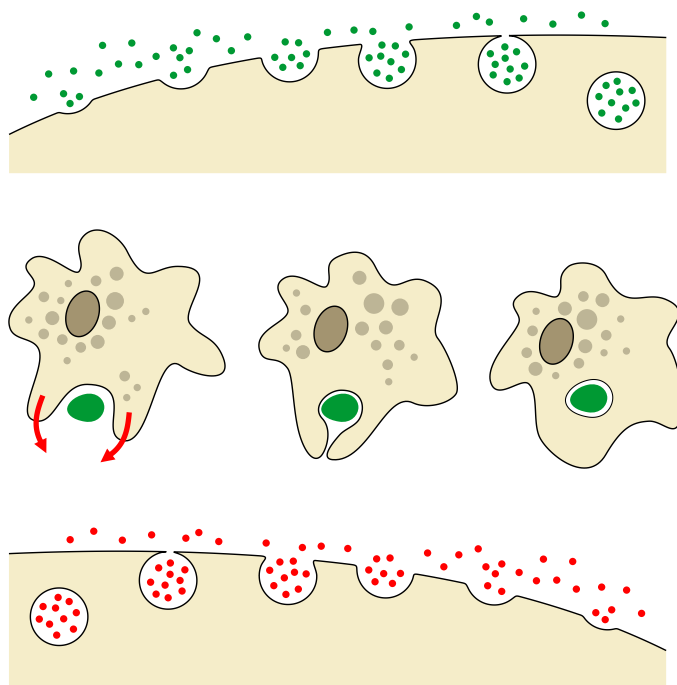

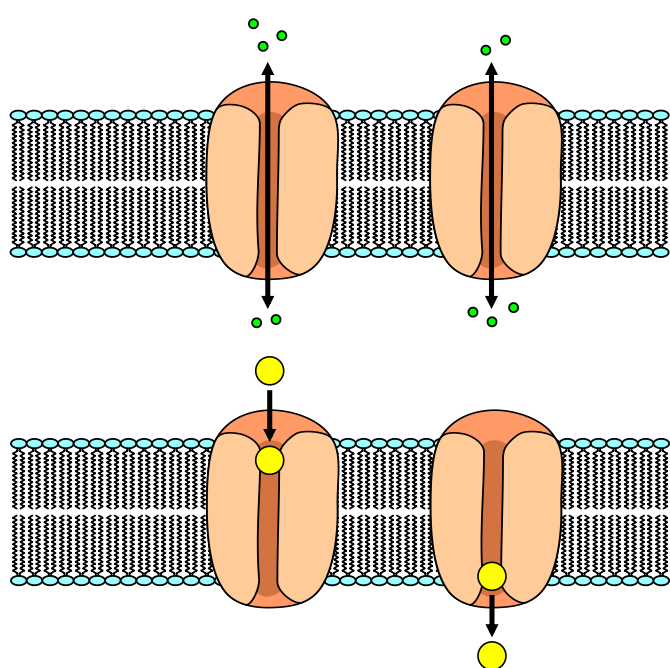

**Eukaryotická buňka
rostlinná**

Biomembrána

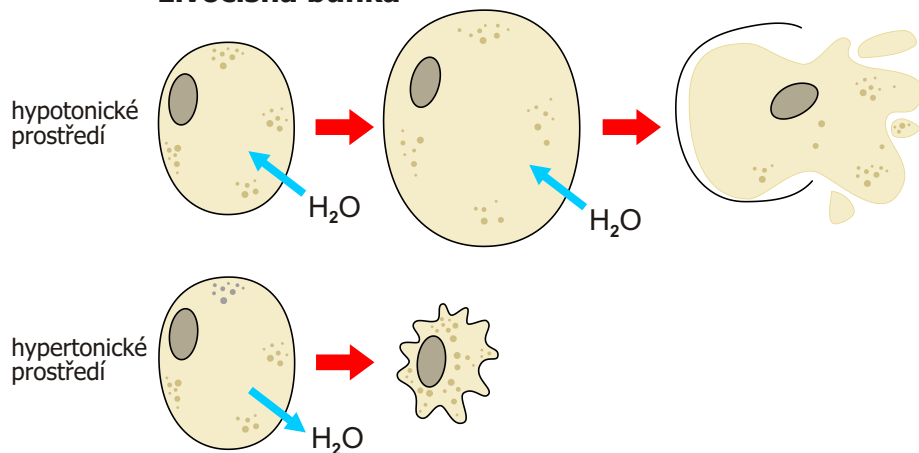

Transport látek do buňky a z buňky

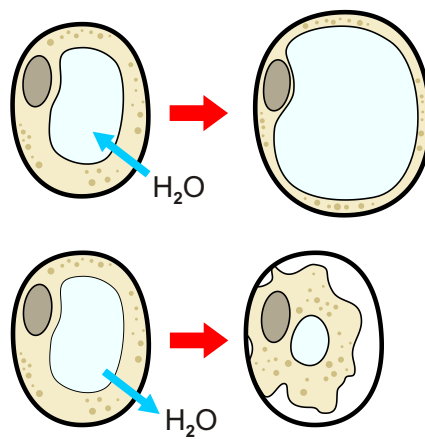

Osmotické jevy

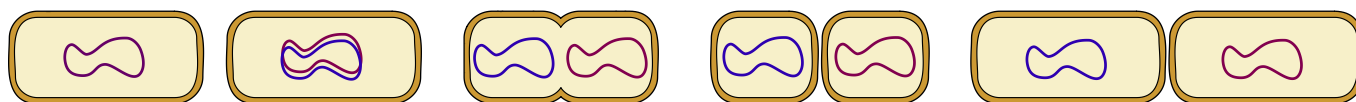

živočišná buňka

rostlinná buňka

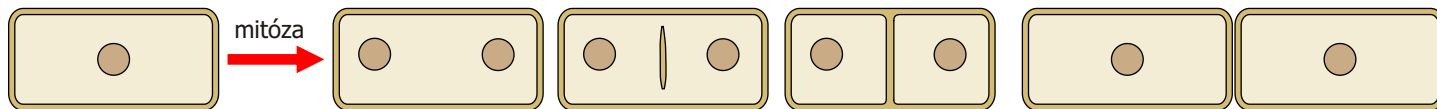

Buněčné dělení prokaryot

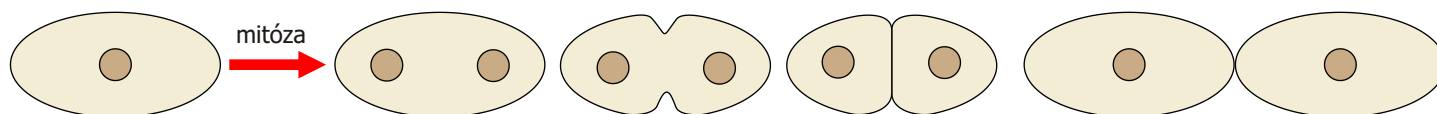

Buněčné dělení eukaryot

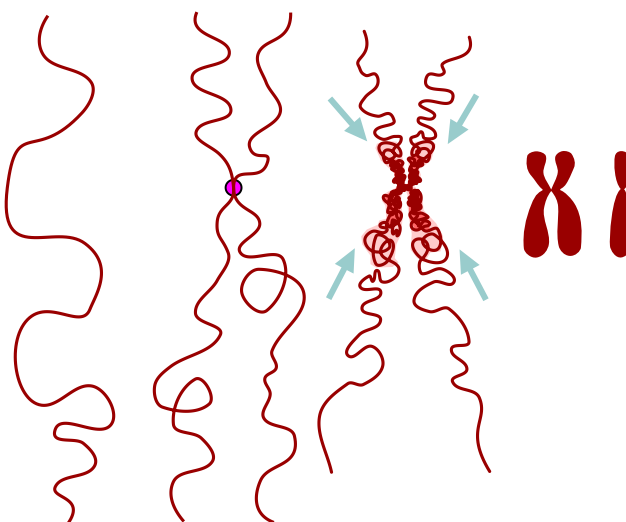

Dělení a cytokineze eukaryotické buňky s buněčnou stěnou

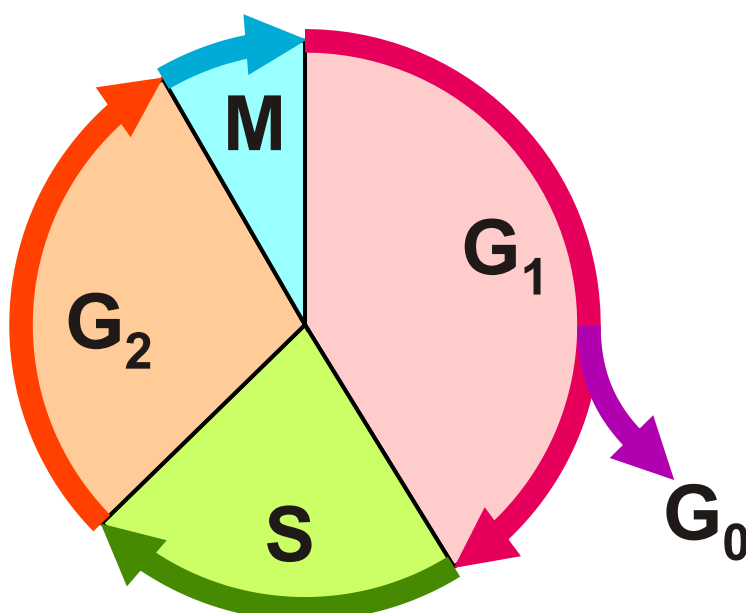

Dělení a cytokineze eukaryotické buňky bez buněčné stěny

Změny chromozomu Eukaryot v průběhu mitózy a meiózy

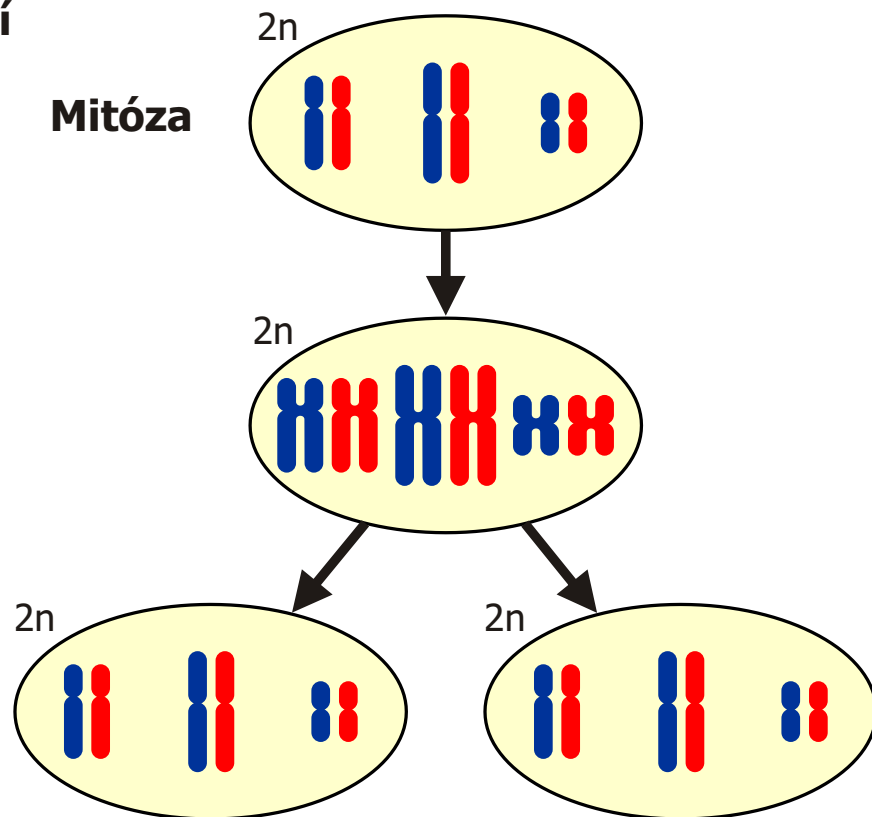

Generační cyklus eukaryotických buněk

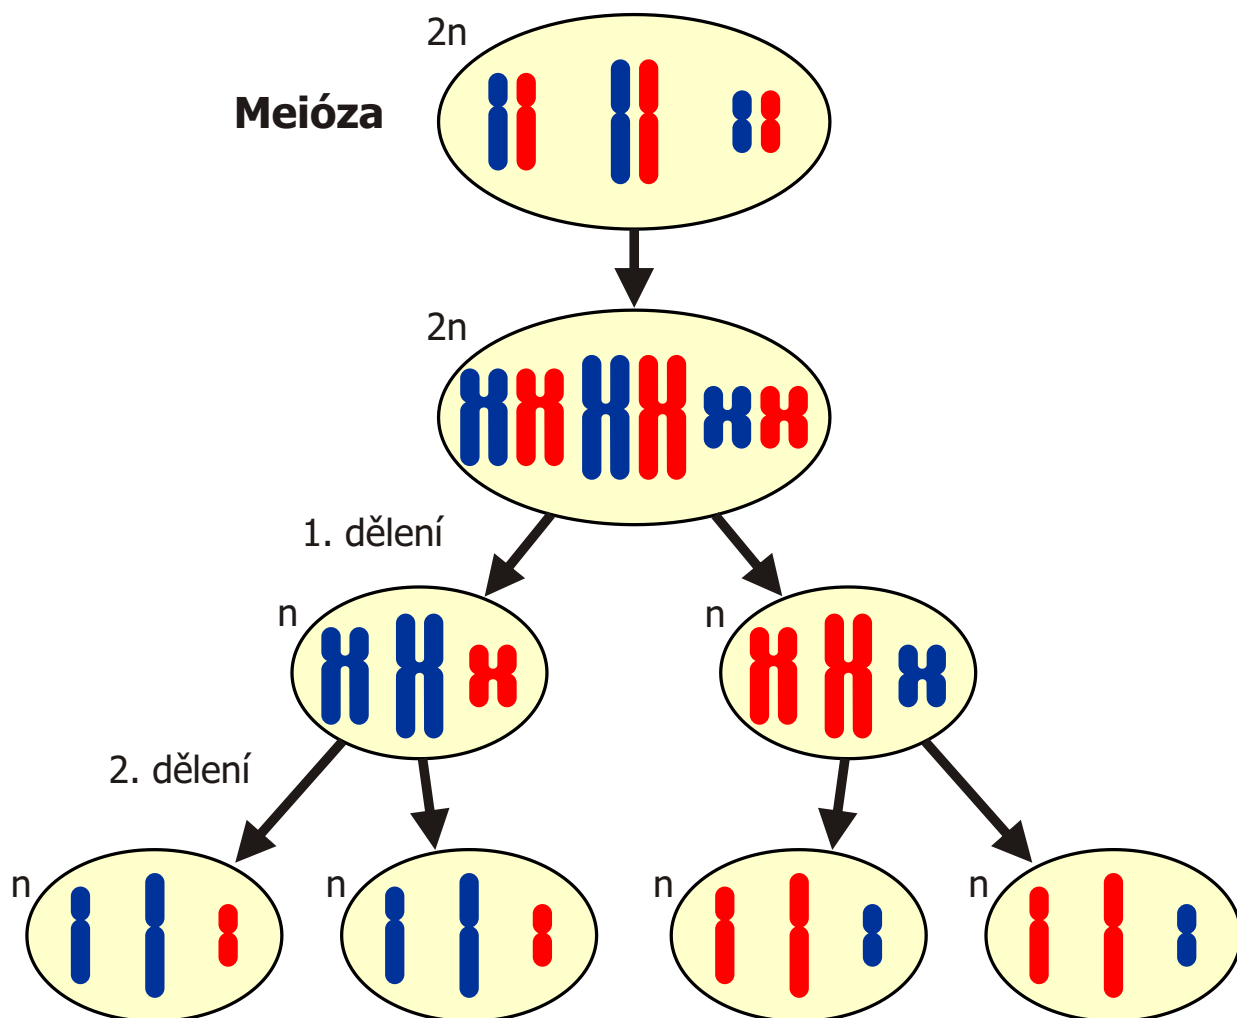

Základní typy buněčného dělení eukaryot

Mitóza

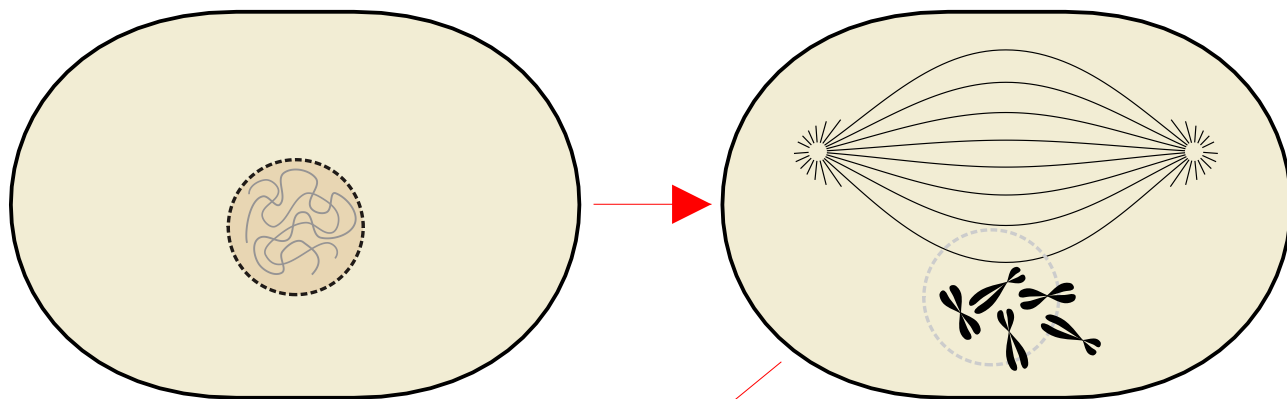

Meióza

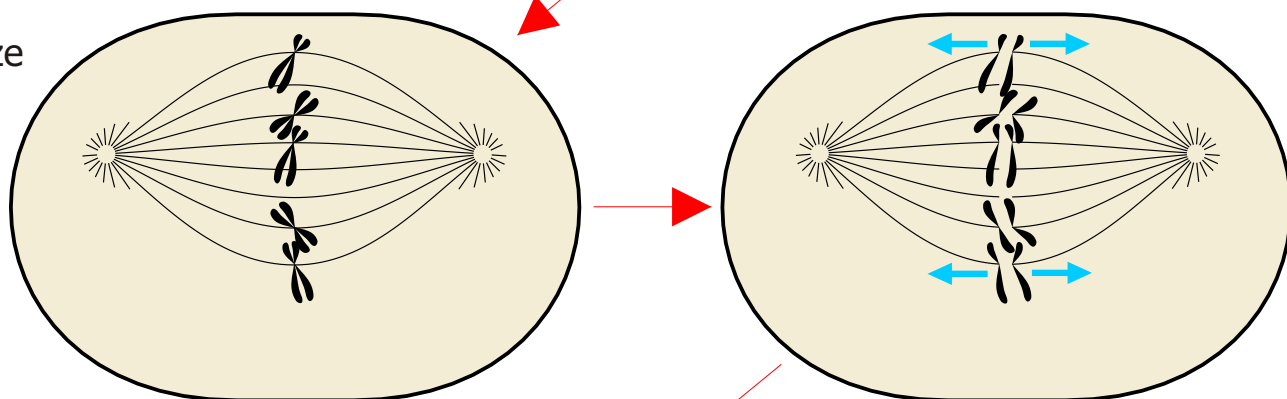

Průběh mitózy

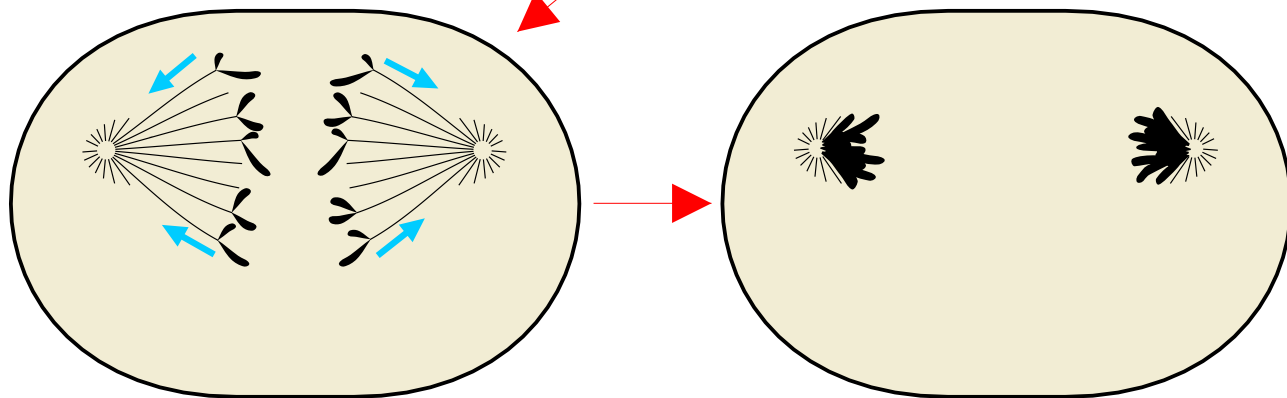

profáze

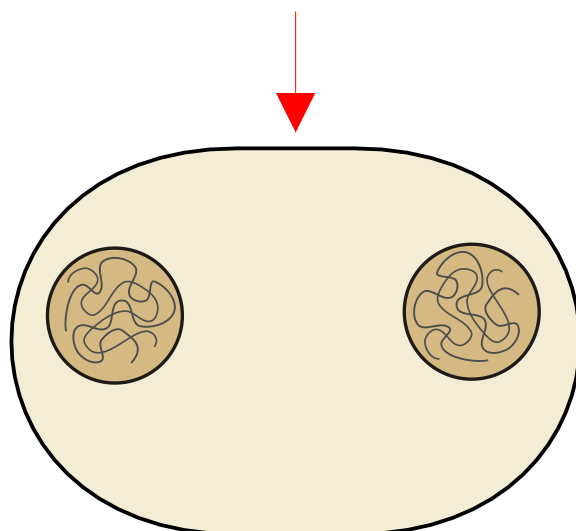

metafáze

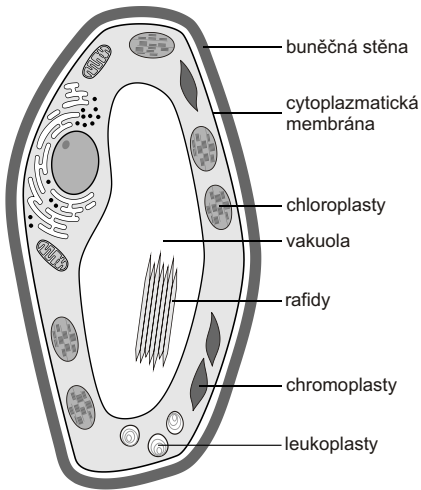

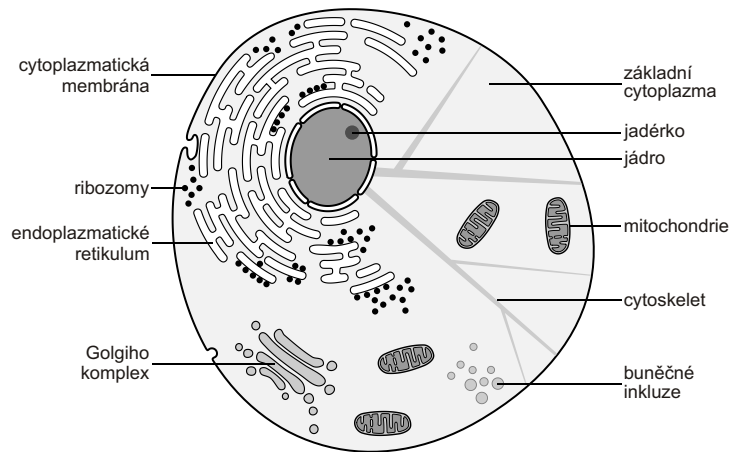

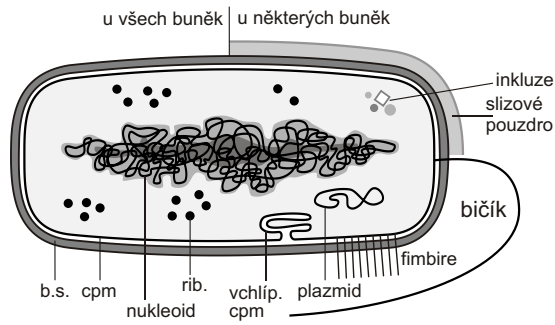

anafáze

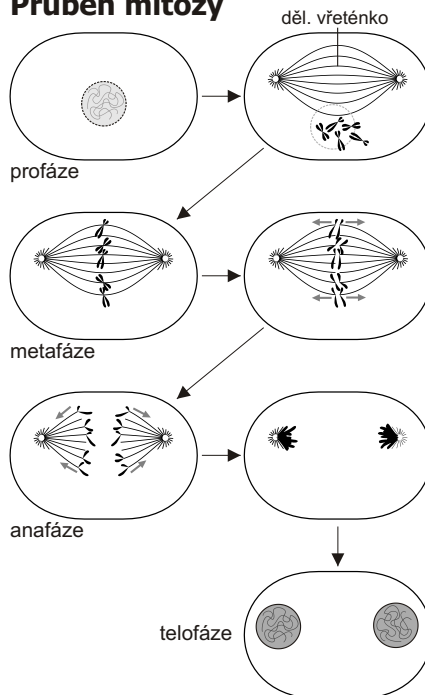

telofáze

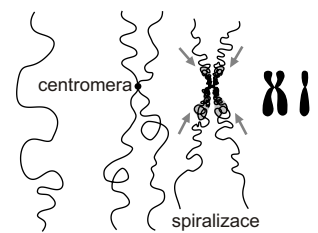

Buňka

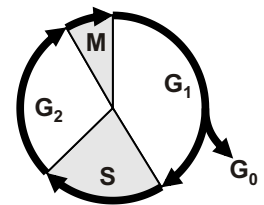

Průběh mitózy

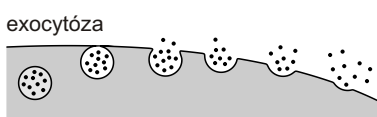

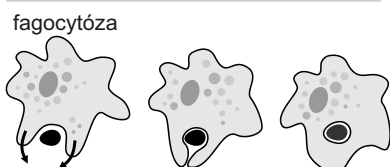

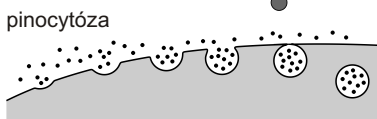

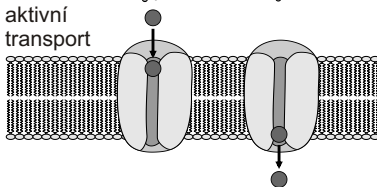

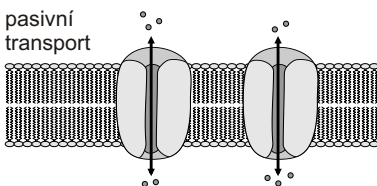

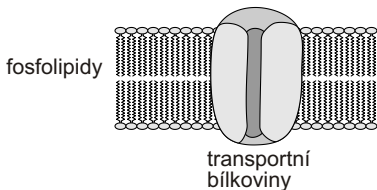

Změny chromozomů během buněč. dělení

Fáze generačního cyklu

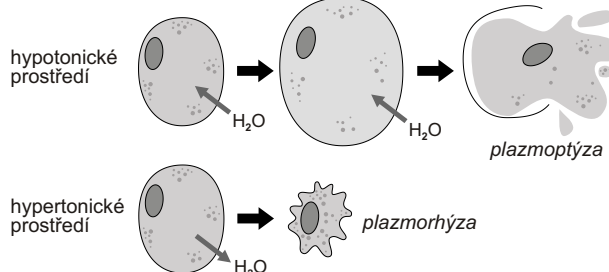

Biomembrána a transport

Osmotické jevy

živočišná buňka

rostlinná buňka
